"A List of the Number of Taxables Belonging to the Several Persons in Charles County abstracts from the Several Constables Lists for the year 1733"

[The above is the title of the handwritten list. The list was read in sequence, top to bottom, left column first then right column, with the sequence number (within each district) for each person recorded below. The list was then alphabetized by surname and given name, as follows. The sequence (of unknown significance) of districts, and their abbreviation used herein, on that list were:

PTWU Port Tobacco West Side Upper Part
 PTWL Port Tobacco West Side Lower Part
 PTWU Port Tobacco East Side
 DU Durham Parish Upper Part
 DL Durham Parish Lower Part
 W&MU William & Mary Parish Upper Part
 W&ML William & Mary Parish Lower Part
 NWU Newport West Side Upper Part
 NWL Newport West Side Lower Part
 NE Newport East Side
 BL Benedict Leonard

I have attempted to be very accurate in this transcription; characters and/or words that were unreadable or uncertain are shown within square brackets and with a question mark. The notes in brackets are mine to better explain each record. Notes in quotes are exactly what was read from the written list.]
